Terms & Conditions

Dimensional factor for Preferred LCL shipments is 1 kg = 366 cu. in. (6000 cu. cm) with charges applied to the greater. Rates subject to a minimum charge of \$350 per shipment CFS to CFS (not including surcharges or destination door delivery). Rates are applicable to Mexico destination airport. Additional charges and transit requirements for delivery >25 km from destination airport. Rates are exclusive of detention, demurrage, insurance, storage after free time, customs clearance duties, VAT, taxes, user fees and governmental charges. Transit times are valid for shipments that are customs-cleared and based on UPS providing customs brokerage service at destination airport. Transit times vary depending upon destination. Transit-time estimates are based on UPS providing customs brokerage service. Above rates are effective sailings through October 31, 2020 and are subject to change thereafter per the applicable published tariff. Customs clearance and ISF filing are not included but can be provided as additional for-fee services. Delivery date is not guaranteed. UPS accepts no liability for failure to meet shipper's specified delivery schedule or transit time. Hazmat and perishable goods are not permissible for this service. See UPS NVOCC Bill of Lading for additional terms and conditions.

NOTE: Ex-Works origin cities are BOLD.
