Terms & Conditions

Dimensional factor for Preferred LCL shipments is 1 Kg = 366 cu. in. (6,000 cu. cm) with charges applied to the greater. Rates subject to a minimum charge of \$350 per shipment (not including fuel surcharge or AMS fee).

Rates are applicable to U.S. ZIP Codes and Canadian points as specified — Toronto, Montreal and Ottawa only designated as A/P/B1 points.

Additional charges and transit requirements for B2 and B3 designated points.

- Delivery to B2 and B3 designated points — \$0.39/Kg, minimum \$60.
- A, P, B1, B2 and B3 points are defined by the current version of the UPS Supply Chain Solutions[®] Quick Zip program, available here. Service points are subject to change without prior notice.

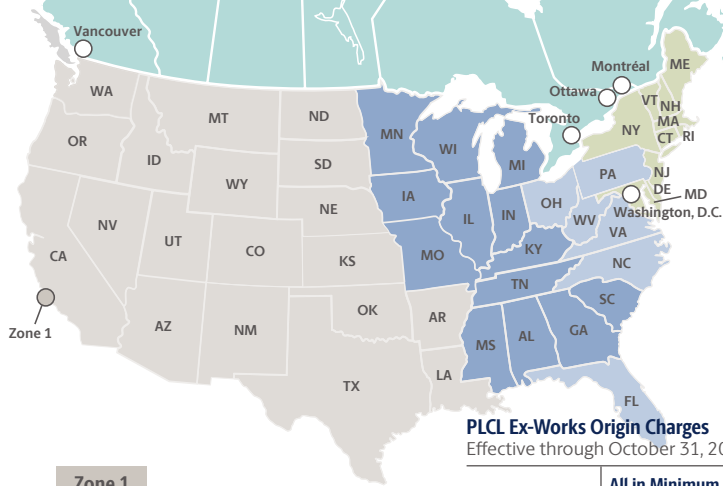

Residential deliveries will incur an additional \$125.00 charge.

Lift Gate deliveries will incur an additional charge of \$7.50 per 100 lbs. (\$100 minimum/\$350 maximum).

Transit times are valid for shipments that are customs-cleared and based on UPS providing customs brokerage service at Tacoma or Los Angeles ports. Transit times vary depending upon destination. Transit-time estimates are based on UPS providing customs brokerage service. Above rates are effective sailings through October 31, 2020 and are subject to change thereafter per the applicable published tariff. Fuel surcharge subject to fluctuation. Customs clearance and ISF filing are not included but can be provided as additional for-fee services.

Delivery date is not guaranteed. UPS accepts no liability for failure to meet shipper's specified delivery schedule or transit time. Hazmat and perishable goods are not permissible for this service. See UPS NVOCC Bill of Lading for additional terms and conditions.
